WHAT IS RTOW?

RTOW is the state professional organization of radiation therapists in Wisconsin. The mission of RTOW is to provide, promote, and educate radiation oncology registry professionals with opportunities that will heighten professional growth on information and/or issues relating to radiation therapy.

WHY SHOULD I BE A MEMBER?

- RTOW provides opportunities to earn CE credits twice a year through in-person meetings and virtual mini-meetings. Each event offers between 4-6 CE credits.
- Opportunities to network with other professionals and vendors at the RTOW sponsored meetings.
- RTOW provides a scholarship for members seeking an Advanced or Graduate Degree.
- Joining the RTOW Executive Board allows for professional development and advancement.
- Promote education by providing Student Achievement Awards and a Student Paper Competition to therapy students in Wisconsin.
